

PRICING | THE LOFTS AT CEDAR LAKE

There are so many benefits of living in an active and engaged senior living community!

Cedar Community announces a new definition of distinction for adults 55 and better—*The Lofts at Cedar Lake*. Maintenance-free, private residences ranging in size from 1,100 to 2,000 square feet offer the opportunity to *enjoy, explore, and embrace* your best life.

Located on Cedar Community's 245-acre wooded campus, the independent living residences offer secluded, lake country living within minutes of shopping, fine dining, entertainment, cultural events, an award-winning farmer's market, *and so much more!*

The Lofts at Cedar Lake are nestled in the natural beauty of the Kettle Moraine—surrounded by lakes and prairies, hiking trails, and forests—all providing a picturesque landscape. Enjoy the beauty of the changing seasons and the wildlife that abounds. Every detail, design, and interior finish is selected to provide comfort, peace, and spaciousness.

Be the first to discover lake living at its finest by scheduling an appointment today.
