Jeremy Haske

Officer Haske:

Effective immediately, you are being placed on paid administrative leave pending further investigation of concerns regarding conduct potentially affecting your ability to perform your duties as a law enforcement officer for the Village of Kewaskum. While the Village's investigation will be completed as promptly as possible, at this time I am unable to provide an anticipated completion date.

During this administrative leave and the Village's investigation you are not permitted to be on Village or Department property or at any Village or Department-sponsored activities, wherever located. In addition, unless expressly authorized to do so you are not to communicate with any Village/Department officials or staff members in any form, including via social media or other electronic means, and you are prohibited from accessing or using any Village or Department equipment or technology or exercising any police powers. Failure to comply with these directives may subject you to disciplinary action up to and including termination.

If you have questions as the investigation continues, you may contact me at 262-626-3623. You will be notified of the findings of the investigation upon its completion, which will occur as expeditiously as possible. I appreciate your cooperation in this matter.

Sincerely,

Adam Gitter
Village Administrator
